Dear Justice Elect Miner:

I am pleased to report that the Town of Rosendale, with approximately two thousand people voting, gave you 368 votes over your nearest Democratic rival.

I promised a four hundred vote majority (in jest coming out of Rosendale, however, we are pleased with the 39 vote majority as the strongest Republican candidate in the Town of Rosendale won by 380 votes, and we carried six out of eight Town Republican candidates and all county candidates to victory.

The Town of Rosendale Republican Committee extends their warmest congratulations and wishes to you for a long and happy tenure.

My personal congratulations to you on the dignified and effective television and newspaper campaign.

Very truly yours,
