Dear Lew:

I regret the delay in responding to your letter of February 3, 1986 which requested a copy of the article on employment discrimination by Ron Green and Bill Carmell that appeared in the Japan Times of March 16, 1984.

We are agreeable to providing you not only with the Japan Times article, but with a complete bibliography of all Ronald Green's and William Carmell's writings, if you will be so kind as to provide us with a bibliography of all writings by you and Dick Bellman.

Yours truly,

Stanley Futterman
