**SPECIAL EDUCATION
LAW AND PRACTICE**

Cases and Materials

DEBORAH N. ARCHER
RICHARD D. MARSICO

CAROLINA ACADEMIC PRESS

Special Education Law and Practice is an experientially-focused casebook that also serves as a reference for attorneys who practice special education law and anyone interested in learning about the special education process. The casebook covers substantive special education rights, racial disparities in special education, discipline, procedural protections, federal court litigation, remedies, and attorneys' fees.
