James F. Simon

Eisenhower vs. Warren, his critically acclaimed new book, chronicles the epic 1950s battle that would shape the legal future of the Civil Rights movement.

In conversation with Professor Edward A. Purcell Jr., Professor Simon will bring to vivid life the clash between President Dwight D. Eisenhower and Chief Justice Earl Warren, a conflict that continues to reverberate in political and constitutional debates today.

A reception and book-signing will follow. Copies of the book will be available for purchase.
