**The  
Mendik  
Library is  
a great place  
to get  
MUGGED!**

Everybody knows that the crime rate has plummeted in NYC, but did you know that the same thing is about to happen in the Mendik Library? That's because we've changed the rules about bringing in beverages. You may now bring in any beverage you wish -- all your favorite beverages -- so long as you carry them in our new, official spill-proof mug. This handsome vessel is especially

designed to quench your thirst while guarding library books, computers and furnishings against the disastrous effects of a spill. After years of product testing we have approved this mug only; no other containers will be tolerated. To promote the universal adoption of these amazing mugs, NYLS is offering one to every student, free of charge! Many students already picked up their mugs before Spring semester finals. Those who missed out should collect theirs from the NYLS Office of Public Affairs.

We trust that our liberal mug policy will usher in a new era of peaceful compliance with Library rules -- a *pax bibliotheca*, if you will. Keep in mind, though, that we have no intention of abandoning our strict enforcement of rules that prohibit *food* in the Library. ☛
