2721 - MARNARD - direct

Q: I ask you Mr. Maynard, whether you had anything -- anything at all -- to do with the death of Sgt Michael E. Kroll in the early morning hours of April 3, 1967?

A: NO, SIR.

WITNESS: On May 17, I was arrested by a number of police officers, at my shop on West Tenth Street.

At this time, I was asked where was I on April the second, April the third. I thought about it, I wasn't told why I was being questioned, and I was at my -- at that time my in laws. And after that, I gave it no more thought until I had a prior hearing, and the time that I was arrested in Germany, and I wrote a number of letters.

And there was no time that I wasn't sure.

Q: ... I am asking you now whether now or at any time prior there was something, an event, whatever, that causes you to remember that you were at the Quinn household on April second, April third, 1967? I take it, there is nothing particularly special about the day April second, and April third, the date --

A: Might I best ~~be~~ explain this, that I have heard a lot of testimony, and there are things that I heard that -- that made that I thought about and I said yes, that's right, but it is not my recollection, it is someone else's recollection.

...  
Q: Let me ask you this, Mr. Maynard. Do you have any recollection, or did you ever have any recollection of anything particular thing occurring on April 2, April 3, 1967, that causes you to believe that you were at the Quinn household on that week-end?

A: Yes, one thing. ~~Am~~ On April the first, I changed the

lock on the shop, and that was on a Saturday night, and I remember Mike and I leaving to 66th Street where we went over some bills and things of that sort.

Q: Well, that is the most important thing. Is there anything else, that comes to your mind now or that came to your mind at any prior time that aids you in remembering that you were at the Quinn household on April 2, 1967, into April 3, 1967?

A: Yes, I have heard a number of things sitting here, but I don't want to say that these are mine.

cc      MINARD      CROSS

(NOTE: Maynards answer to cross-x regarding when he purchased which type of flowers)

Q: And were those answers the truth when you gave them, Mr. Maynard. Specifically, that you brought the potted plant on April 2, 1967?

A: At that time it was -- I was confused about when I brought the flowers and when I gave the plant. At that time I had been here -- (witness stops speaking)

2778 - MAYNARD - cross

Q: Did the police indicate to you that they were concerned with a homicide which had occurred on April 3rd, the early morning hours of April 3, 1967?

A: After about 8 houss, 10 hours.

Q: There did come a time, you say, when, after 8 or 10 hours, you say, when they did indicate that the questions were asked with relation to a homicide which occurred on April 3, 1967?

A: :Yes.

Q: Thank you. Mr. Maynard, on the afternoon of April-2d, 1967, were you in - visiting a person named John Van Miens at the Hotel Albert?

A: April the second?

Q: Yes, Sunday.

A: NO.

Q: On April 1st did you receive a receipt for having the lock changed?

A: Yes, sir.

Q: Well, with regard to your prior testimony, Mr. Sawyer has read you a series of questions and answers from a May, 1969, hearing in which you testified that Mary Quinn was -- at that time Mary Maynard -- was at the Quinn house in Queens on the weekend of April 2-April 3, 1967. Now I would like to ask you whether your testimony at that prior hearing was correct.

A: No; it was wrong.

Q: Could you explain to the jury how you came to understand that this testimony wasnt correct?

...

A: In October of '67, while I was being held in Germany, I sopke with my german attorney, and he asked me--

...

A: (continuing) At that time things were much clearer to me and at that particulr time I did not metnion Mary being in the Quinn household

Q: Was a letter written by your attorney at ~~that~~ time?

A: Yes.

Q: And you - as you think back, now, when you were taken into custody in October of 1967, did you think at that time that Mary had been with you out at the Quinn house?

A: No.

...

Q: And, at some point after the prior hearing that we have alluded to, and this present trial, there was another proceeding in open court with regard to this case in which you acted as your own attorney, is that right ?

A: Yes, sir.

Q: And the process of acting as ;your own attorney, did you go through all of your ~~own~~ papers and your files?

A: :Yes. And this is -

Q: And did you at that time try and reconstruct to the best

of your ability what happened?

A: Yes.
