out of D311 ID

The objection is overruled.

A Repeat the question, please?

Q What kind of drawing was it?

A Well, it was a tapered drawing, tapered in toward the center on either side, which is this.

Q What did this drawing purport to be?

A The tail lights of the car.

Q After that, you came down with Mrs.-- with Miss Graham?

A Yes.

Q And you were on the outside of the tavern when the car pulled up?

A Yes.

Q And you were looking at what part of the car?

A The tail lights..

Q All right. Now, you stated that Mrs. Graham or Miss Graham did not identify any individuals at that time; is that right?

A Yes, sir.

Q Did she identify anything at that time?

A The car.

Q And what did she say about the car?

A Well, that's when she became scared and ran around the corner when the car pulled up.

MR. BROWN: I ask that be stricken. There is no testimony here that anybody became scared of anything.

THE COURT: She became hysterical.

1 The jury will disregard that.

S. 197

2 (To witness) Just answer the particular
3 question.

4 Q Did she identify anything when you were standing
5 there looking at the car?

A Well, no,
6 sir. She became hysterical and went around the corner.

7 Q Before that, what were you looking at?

8 A Well,--

9 THE COURT: All right, go ahead.

10 A Before the car pulled up, sir?

11 Q No. When the car pulled up you were on the side-
12 walk; is that right?

A Yes.

13 Q And you were with Miss Graham.

14 A Yes.

15 Q Now, what part of the car were you looking at?

16 A The tail lights.

17 Q What part of the car was she looking at?

18 A The tail lights.

19 Q Did she say anything to you?

20 A No, sir. She became hysterical.

21 MR. HULL: I have no further questions.

22 MR. BROWN: Just in view of that series,
23 your Honor.

24 RE-CROSS EXAMINATION BY MR. BROWN:

25 Q Now, did you preserve this piece of paper for
