NEW YORK TECH WEEK

A Taste of Web3: Building Workshop

October 11, 2022

Tuesday

6:00 p.m.—7:30 p.m.

New York Law School

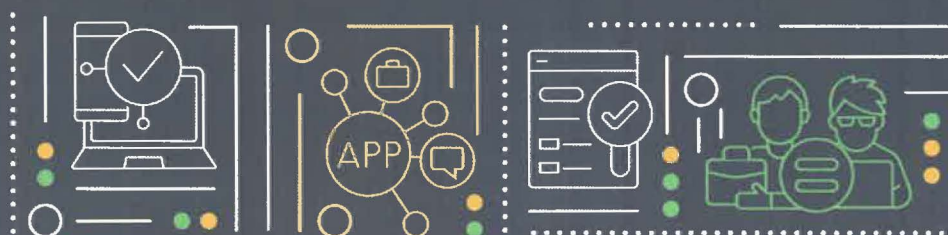

185 West Broadway
New York, NY 10013

A new and decentralized Internet owned by users, commonly known as Web3, brings together a wide variety of technologies such as blockchain, cryptocurrencies, decentralized autonomous organizations (DAOs), and non-fungible tokens (NFTs).

In this hands-on workshop, New York Law School (NYLS) Professor and Innovation Center for Law and Technology Director **Houman Shadab** will guide participants on how to build their own DAOs and websites that run on blockchain.

Attendees are subject to all campus COVID-19 protocols, including those related to masking. Please review our policies at www.nyls.edu/campus-health.

RSVP at www.nyls.edu/ICLTevent
