Reception for David Schoenbrod's *DC Confidential*

Members of Congress and Presidents on both sides of the aisle use tricks to help themselves at the expense of their constituents. **These tricks especially harm us as citizens of state and local government.**

How Washington insiders get away with it is explained in a new book by **Trustee Professor David Schoenbrod**, with forewords by **Governor Howard Dean** and **Senator Mike Lee**.

Join **Dean and President Anthony W. Crowell** to celebrate the book's release and hear Professor Schoenbrod speak about these important issues.
