Dear Att'y Siegel:-

Thanks so much for informing me of Anthony serious trouble. Ever since i received your letter i have been very troubled and upset. The main fact is I dont know what to believe, I dont understand or know what has really happened. And trying to keep the matter hidden within myself, has caused me terrible effects. I dont know the nature of the crime whether he is involved or not, which I pray God he is not.

Will you kindly call me at my expense, or write to me the full details of the Case. Knowing Him as I do, I cant seem to believe He would be involved in such an offence. And yet again I am a firm Believer in Almighty God, and with His Guardiance and help through You, He will Conquer.

At this writing I dont think it is advisibly to come, I would rather assist as far as I can otherwise, unless there are other Interests that will require my presence.

Anthony wrote me from Germany in which I did not reply, I did not quite understand whether he was in Custody or not, Will you kindly bring me up to date with the whole matter, I believe I am a little stronger to receive or to accept.

Thanking you sincerely,

Truly yours,

I. G. Pratt
