West 4th St, about 50 feet into 4th St at which time the marine stopped the car got out and walked to rear of the car and came toward the male negro. The negro was holding a sawed off shotgun and fired as the marine continued to approach him. The marine then grabbed his face and fell backward into the street. The perpetrators then fled to 6th Ave and north on 6th Ave. After the marine was shot the sailer got out of car and looked at him, he then got back into the carand drove away and a little bit later came back with a cop.
