GRUMET, J.:

This is a motion made in behalf of the defendant for an inspection of the grand jury minutes or, in the alternative, dismissal of the indictment.

The court having read the grand jury minutes finds that the evidence adduced is such that if uncontradicted or unexplained would warrant a conviction by a trial jury.

The motion is in all respects denied.

The issue as to whether or not an identification of this defendant was made in violation of his constitutional rights is respectfully referred to the trial court.

Dated, May ,1968.
