RE: Peo. Ex Rel. Roache v. Connelly,06 - civ - 3567 ;

Dear Hon. Mr. Miner ;

I am writing with all due respect, and respectfully wish to ask for your possible time, and assistance .

I have been directed to write to the United States Court of Appeals, and ask for all, and further information, pursuant to A Writ Of Certiorari, of the Supreme Court of the United States.

I was further informed, that they except almost no Cases, or Motions filed in their Court, so I am to get as much information as possible. Could you please help me .

The one issue in brief, is that no one has ever filed a response to any of the motions I have filed, in the Appellate Division, Second Department, or in the Court of Appeals of the State of New York, or in the District Court, Southern District of New York, the only opposition that I ever get, is the Court Dismissing my Motion.

Then the District Court, Southern District of New York, state that I should file a Motion for a Second Reveiw, as they state that I have appealed this Case, and the Issues being raised in 1984.

Except, I explained, I got arrested in 1992, for the offense charged of 1992, so this was and is the "FIRST" time I am appealing this case or issues before their Court. They transfered my case to the U.S. Court of Appeals, stating I have appealed this case in 1984.

They totally ignored everything that I wrote, and stated,so as how do I appeal of the Second Circuit, and or the U.S. Court of Appeals, that is on incorrect information by the District Court, Southern District of New York, as this case is of July 1992, and not of 1984 .

I do gratefully, Thank You for all of your time you can, and have allowed me, and I due with all due respect, I am grateful for all that you can look into, and possibly be able to inform me of concerning these matters.

Respectfully Submitted
