www.nyls.edu/cletuitionassistance

Arbitration experts return for their annual and provocative discussion of some of the most pressing challenges facing arbitrators and mediators. Topics include: COVID-19 and the conduct of virtual hearings; the new American Law Institute Restatement; the Singapore Convention on Enforcement of Mediated Settlements; privacy and confidentiality issues; and an increase in third-party funding due to the current economic climate and how the institutions are addressing third-party funding disclosures.

MODERATOR:**Jeffrey Zaino**

Vice President

American Arbitration Association
