Re: Leo v MAYNARD

Dear Council:

Please be advised that on March 13, while at Court, I spoke with a man who was also a suspect in the Homicide of which I am accused. He has advised me that he has information & knows one of the persons responsible and is willing to give over that information to yourselves.

He is presently here at Tombs. I have his name & cell location. Please come at your earliest convenience as he has been here 3 weeks already. Mr. Goldman since you have read my transcript you will readily see the importance of this information.

Yours truly
William H. Maynard

Dear Mr. Goldmann:

I am again writing to you at the request of Miss G. Klicman who has also been assigned to my case. Please return to me personally all data + documents which I entrusted to your office on Dec. 24th 1969.

I made certain declarations in my letter of April 6, 1970.

Why haven't you complied?

The man has since left on Bail.

Please advise me of the day of the Sodium Penthal test!
I Await.

Trustingly

Dear Mr. Goldman:

Re: William A. Maynard, Jr.

Please at your earliest convenience send or bring me photostats of my documents which I entrusted to you of Dec 28, 1969.

Please be further advised that the person Warner Guy who was mentioned at my trial is in the tanks on 10th Floor and has told me that he has information about the killers & he will give same to my attorneys.

I will look forward to receiving the photostats and also the approximate date for the truth serum test.

I have some very important notes which I hesitate to reveal by letter so in addition I would appreciate a visit from you.

Sincerely,
William A. Maynard Jr.
