Dear Mr. Steel:

Mr. Maynard's application for a driver's license is denied because of the unanswered summons which you mentioned in your letter.

You should contact the Administrative Adjudication Office located at 2455 Sedgwick Avenue, Bronx, New York 10468 concerning this matter. The order number of the suspension for his unanswered summons is #J603136 and the case number is #3930004.

When Mr. Maynard has answered the summons, he can submit evidence to my attention with the accompanying completed application for a license. At that time, his records will be re-evaluated and if everything is in order, his application should be approved.

Re: William A. Maynard, Jr.

Dear Mr. Steel:

I regret the delay in answering your letter of October 7, 1974 regarding Mr. Maynard.

I have thoroughly searched our records and have been unable to find any indication that we received Mr. Maynard's application in July as shown on the letter you submitted to us. I have located driving records in the name of William A. Maynard, Jr. with address of 1 Station Square, Forest Hills, New York, however that Mr. Maynard obtained a license on May 13, 1974. You state that Mr. Maynard's birth date is incorrect and should be written as November 12, 1935. Could you tell us the former date of birth which apparently we had and/or any other addresses that were in Mr. Maynard's name.

I am enclosing another application which I would like Mr. Maynard to complete. Please forward it to my attention with the other required information and I am sure if the record warrants it and there are no outstanding summonses, I can approve Mr. Maynard for a license immediately.
