Ms. Jaqueline Miner, Vice Chairman
New York Republican State Committee
315 State Street
Albany, NY 12210

Dear Ms. Miner:

Thank you for your time and effort in assembling your state's list of republican mayors and local officials. We appreciate your assistance with this very important project. This list will be an essential and powerful tool in communicating with grassroots Republican office holders.

Once again, we appreciate your help with this project. As always, if my office can be of any assistance, please do not hesitate to contact us.

Sincerely,

Jane Abraham
Director, Intraparty Development
