MAJORITY LEADER

Dear Roger:

Congratulations on your impending investiture as a Circuit Judge of the United States Court of Appeals for the Second Circuit on September 14.

I regret that a prior commitment on that day prevents me from attending the ceremonies.

However, through this letter may I express my thoughts on this exciting occasion for you. You bring to the Bench a wealth of judicial experience and common sense. Both commodities are needed today by all of us as never before.

Your investiture will further strengthen and enhance an already prestigious court.

With warm personal regards, I am,

Sincerely,

A handwritten signature in black ink, appearing to read "W Anderson".
