On May 26, 27 and 28, 1987 the New York City Board of Education is having a Bicentennial Fair. Students will make and display projects, workshops will be conducted and demonstrations of historical events enacted. On the evening of May 26, 1987 from 5 - 7 p.m. a reception will be held at the auditorium in the Loeb student center at New York University. Elliot Sallow, director of the Social Studies Department, has asked the Second Circuit Bicentennial Committee to co-sponsor the Fair. Our only obligation will be to have judges from the Circuit attend the reception.

Do you think this is something the Bicentennial Committee can undertake? I believe it is not helpful to take the project before the Steering Subcommittee unless some judges are likely to participate. I know bringing the matter directly to you is unusual, but I do need some assistance. Please let me know if this is something I should pursue.

Very truly yours,

PHYLLIS SKLOOT BAMBERGER

Chief Judge
