Honorable Roger J. Miner

Dear Roger:

I really enjoyed your lecture yesterday, and found it most interesting. I am sure that the work you did in collecting statistics will be very useful to students of our court. Congratulations on a fine job. Incidentally, did you include cases that went to the Supreme Court directly from a three-judge court in this circuit? Some of them turned out to be historic cases. For example, *Goldberg v. Kelly*, 397 U.S. 254 (1970).

With best regards to you and Jackie,

Sincerely,

Bill
