Dear Judge Miner,

I hope all is well with you and your family. All is well here.

My youngest child is now in kindergarten, and although it is only a half-day program, I have definitely had more time to devote to practicing law. I continue to be of Counsel to Meyers and Meyers, LLP. I have recently begun to assist David Meyers with some of the immigration work that he does. I have also started to work with clients in the filing of trademark applications with the USPTO. I have enjoyed familiarizing myself with each of those areas of the law!

I hope you have a healthy and happy 2011!

Lisa
