The Honorable Roger Miner
Justice of the Supreme Court
of the State of New York
414 Union Street
Supreme Court Chambers
Hudson, New York 12534

Dear Judge Miner:

It was so good to see you on May 20th, at the dinner in honor of Joseph Solomon and the establishment of the first endowed Chair, in his name, at our Law School. We were all delighted to have you join us for that very significant occasion.

Although I realize you will require two law clerks, I would like to recommend to you, at this time, one of our graduates, David Kagan, who graduated on June 7, 1981. Mr. Kagan was not only an exceptionally able law student, but also served as a student law clerk with Judge Gerard Goettel, of the Southern District of New York. Judge Goettel's enthusiastic endorsement and recommendation is enclosed.

It is difficult to add further words of praise for David Kagan. He graduated magna cum laude, and as you will note from his resume, he has supplemented his academic work with excellent practical experience. He is a most agreeable person, and I feel certain you would enjoy having him associated with you in your chambers, and would find him an extremely valuable addition to your staff.

I hope you will have an opportunity to meet David Kagan. He is available for an interview at your convenience, and can be reached in the afternoon or evening at the telephone number on his resume.

Again, my congratulations to you upon your nomination to the Federal Court.

With all good wish.

Very sincerely,

Margaret S. Bearns

P.S. I shall forward my recommendation for a second law clerk to you shortly.
