Dear Roger:

I am so sorry that I cannot be with you today at your Investiture Ceremony. As you know, I had planned to come and was looking forward to being part of this memorable occasion. Only circumstances beyond my control made it impossible for me to do so.

I am sure you will be an outstanding member of the Court and I send you my welcome along with my congratulations.

With my warmest regards to you, Jackie, and the other members of your family,

Sincerely,
