ROGER J. MINER
U.S. CIRCUIT JUDGE
ALBANY, NEW YORK

Hon. Roger Miner
United States Court of Appeals Judge
Second Circuit Court of Appeals
Federal Court House
Foley Square
New York, NY 10007

Dear Judge Miner:

I very much enjoyed reading the Law Journal article about your speech to the Judicature Society on the number and length of the opinions that come out of the Supreme Court. Is it possible to get a copy of the speech?

Your candor and succinctness continues to be refreshing, but unfortunately, rare among your many judicial colleagues. I commend you for your directness in confronting the realities of the federal caseload. I always enjoy reading and hearing you express your views, even on those occasional other times when I disagree with you.

I look forward to seeing you at NYLS.

Take care.

Sincerely yours,

Lawrence M. Grosberg
