Dear Roger:

I regret that I will not be able to attend your Investiture on September 14th. I must be in Ithaca for an important meeting on that day.

It is going to be a privilege to appear before you in the Second Circuit. The few survivors of my own generation have a very special affection and respect for that great Court which goes back to the days of the Hands, Swann, Frank and those other titans. I am sure that your presence will add distinction to a Court that is already illuminated by some of the finest judicial spirits in the land.

For all of us here, I extend our congratulations and best wishes.

Sincerely,

Milton S. Gould
