Dear Judge Miner: ,

Thank you for the very thoughtful invitation to your investiture on September 14, 1985. My wife and I have planned a vacation and expect to return to Albany late in the day on September 14, 1985, so I will not be able to share in your honor.

My very best wishes to you in your new position. It is well deserved.

Cordially yours,

Bernard Kaplowitz
