Thank You

DEAR Sudge -

I am so deeply and ineffably grateful to you for the experience you have given me. Your incredible insight and mentorship have meant the world, and I will hold your lessons close for the rest of my career. You have not only taught me how to be a better lawyer, you have taught me life skills that will serve me well forever: work hard, play fair, and choose your battles wisely. I can only hope that I will take all of the amazing things I have learned and someday make you very proud.

Thank you for your humor, your guidance, your patience, and, above all, your caring investment in my ongoing development.

I am indebted to you always.

With gratitude to you.

Anna
