Dear Judge:

I was recently informed that you have been nominated by the President for a seat on the United States Court of Appeals for the Second Circuit.

As a member of the Board of Trustees of New York Law School, I wish to extend my personal best wishes for your continued success on the bench and I am sure that when you take office, and over the years that you serve, your background and wisdom will be recognized in the many leading decisions you will make.

Again I wish you continued success and God speed!

Sincerely,
