SEP 4 - 1985

ROGER J. MINER
U.S. CIRCUIT JUDGE
ALBANY, NEW YORK

Dear Roger:

My heartiest congratulations on your becoming a member of our Court. (My own years on the District Court are still too fresh and fond in my memory to permit me to call your move a promotion!) It is a well-deserved appointment, and I know you will continue to add luster to your already distinguished judicial career.

One of the joys of this Court, in addition to the challenging and varied issues that constantly arrive, is the friendship and collegiality the members share with each other. I am confident that you will find this to be so. Each of us is looking forward to serving with you.

If now, or at any time in the future, I can be of any help with any aspect of your new assignment, I would be delighted to do so. I can scarcely believe that it has been six years since I made the same transition. I can assure you that it is an easy one to make and one from which you will derive much enjoyment and satisfaction.

I regret that it will not be possible for me to attend your official swearing-in on September 14, but I am delighted that, as a non-New York City judge, you are following what has now become something of a tradition of us "out-of-towners" by electing to have the ceremony in your home town. I look forward to seeing you at the Conference next week and to working with you in the days ahead.

Sincerely,

Jon O. Newman
