NEWPORT, RHODE ISLAND 02840

Jackie dear,

Thank you so much for sending  
me the invitation to your husband's  
investiture ceremonies - I had seen the  
news of it in the N.Y. Times and was going  
to write you but I went up to Aurora N.Y.  
to see my daughter and somehow forgot.  
I was thrilled when your communication  
arrived. If I were not so far away I would  
certainly come up - as I would love to see  
you again after all these busy years, but  
somehow battling around the country in my car

is growing irksome to me.

I am well and busy with 2 commitments and have a most pleasant life here, sunning a lot in summer which helps to keep me more or less in shape. I will be 75 next month, and have a great granddaughter whom I have never seen. My son is fine, still in Bedford N.Y. - Charlie, whom you once met, over 20 years (?) ago.

What are your boys doing now - my God, they are grown men!

I cannot tell you how very touched I am to be always remembered by you, and I want you to know how much I appreciate it.

"Well done!" to your husband - give him my best wishes and prayers. God bless you all -

God's remembrance -

Oliver
