Dear Norm:

Congratulations and best wishes on your assignment with Caspi & Co. as Head of International Practice. We are all very proud of your accomplishments and send you our best wishes. I am still trying to plan a trip over there and hope to see you in the not-too-distant future.

It is a small world indeed. One of my current clerks, Jonathan Gottlieb, helped to edit the article co-authored by you that was published in the George Washington Law Review in 1996. He was very impressed by the article and also sends you best regards.

Yours very truly,

*"The Judge"*
