Dear Judge Miner:

It was with great pleasure that I received the invitation to your investiture as a Circuit Judge of the United States Court of Appeals.

Since we met at Texaco in March, I have been following the progress of your nomination and hoping that you would receive this well-deserved recognition.

Unfortunately, I expect to be in Houston at that time in connection with a lengthy trial involving the Texaco-Getty acquisition at which I am a witness as one of the negotiators.

While I cannot join you on the fourteenth, please accept my sincere congratulations on your appointment and my best wishes for the future.

Sincerely,

Bill
