Future of Games: eSports and Live Streaming

New York Law School

**WE ARE NEW YORK'S LAW SCHOOL**

Future of Games:

eSports and Live Streaming

Tuesday, April 22, 2014**6:30 p.m. - 8:30 p.m.****New York Law School****185 West Broadway****Events Center – Second Floor**

With eSports and live streaming in the midst of incredible growth, it's no surprise that they will both be a huge part of the future of the video game industry. Join us in a discussion of how eSports and live streaming have grown so fast and become such an important part of the industry. Our discussion participants will include Elizabeth Baker, General Counsel of Twitch.Tv; Ryan Morrison '13, a solo practitioner focusing on the video game industry; and T.L. Taylor, Associate Professor in Comparative Media Studies at the Massachusetts Institute of Technology and author of the book *Raising the Stakes*.
