## MAGNETIC MEDIA ERASER

Audio Visual Services has purchased an industrial video tape bulk eraser to handle the large volume of video tapes they use and recycle. This unit is capable of erasing most magnetic media in seconds. If you have a supply of video or audio tapes; or even computer disks that you would like to recycle, contact **Bob Ward** on extension 393. Please keep in mind that this method is irrevocable and files cannot be un-deleted. Also, protection tabs on video and audio cassettes are ignored by the unit so sort through your videotapes carefully first.

## CAREER SERVICES UPDATE

### Greater New York Law Consortium Job Fair

The New York Law School Office of Career Services hosted the Greater New York Law Consortium Job Fair this year. The Consortium Job Fair provides interview opportunities to students from the four member schools (Hofstra, New York Law School, Pace, St. John's).
