PREFACE

The following are the proceedings from the Sixth Annual Ernst C. Stiefel Symposium on Bankruptcy and Corporate Development in Emerging Nations held on April 22, 1996. The *Journal* is devoted to presenting timely and significant issues of international importance; however, the *Journal* would like to point out that because some of the articles and materials in this issue were written at the time of the symposium, they may not reflect the most recent developments in scholarship since that date.
